Dear Friends of the Foundation:

The St. Andrew Foundation needs your support! The Foundation was established in 1988 with the goal of creating a \$1 million endowment fund to subsidize teacher salaries and to help keep tuition affordable. With the help of our generous supporters, the initial goal was reached in less than 20 years. We are seeking to keep the endowment over \$1 million to continue to make contributions to the school. With support from our parish and school families and friends, we know this goal is possible.

St. Andrew the Apostle School continues to be a powerful, positive influence in our neighborhood:

- We were named a Blue Ribbon Lighthouse School of Excellence in October 2013.
- We are accredited by the Southern Association of Colleges and Schools (SACS).
- We are a Catholic school offering an accelerated curriculum with an honors program, and many graduates earn top honors at local high schools.
- We have full-day 8 weeks, one-, two- and three-year-old programs that cultivate creativity and spirituality.

To enable the Foundation to continue to provide support to the school, it is necessary to regularly replenish the endowment fund. Our goal in this appeal is to raise \$25,000. We are asking all St. Andrew families and parishioners to become members of the Foundation. The annual membership fee is \$100, but additional contributions are welcomed. All contributions are tax deductible.

Additionally, we ask your help to achieve 100% school participation. If you can contribute, please send your membership form to the school office in an envelope marked Foundation. If you cannot contribute at this time, please return the completed form to your child's classroom for participation credit. The first class with 100% participation will win a pizza party. The contest will end Friday, December 6, 2019.

Thank you for your participation.

Sincerely,

Very Rev. John F. Talamo, Jr., V.F.  
Foundation Chairman
