Dear Friend of St. Andrew the Apostle,

For over fifty years, St. Andrew the Apostle has been instrumental in providing outstanding education and support to the children and parents of Algiers and the surrounding area. The support of the business community has been, and continues to be, invaluable in helping St. Andrew maintain this tradition of excellence.

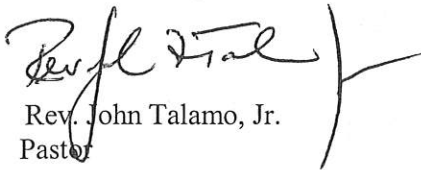

It is with much enthusiasm that we announce that our annual Gala will be held on **Saturday, March 26, 2022, from 6:00 PM - 10:00 PM at St. Andrew the Apostle.** Our theme for this year's celebration is "A Night in Paris."

We recognize the quality and care of your **product** and would like to showcase it at our Gala. We are hoping that you'll consider donating to our event. As a thank you, we'll display your name on the serving table, on our auction website, school and Parish websites, school Facebook and Instagram pages, and display your name in our church bulletin.

All the proceeds from this extravaganza help improve the academics of our school, technology, security, and infrastructure for our campus. It also assists us with faculty and staff raises and supports our numerous ministries. With your participation, St. Andrew the Apostle will continue to enjoy the privileges of family-centered, Catholic traditions, superior academics, and prestigious enrichment programs.

Please contact Renee Amedee (504) 915-6729 or St. Andrew the Apostle (504) 394-4171.

Yours Sincerely,
